

## The History of Multimedia Research Assignment

Working independently or with a partner, choose a technology topic that interests you. Research your topic and prepare a timeline that outlines 15 significant or interesting events in chronological order that have contributed to the development of Multimedia. Each of your 15 events should just be a brief point (a few sentences in length) and should have a picture, video or audio clip to accompany it.

### Examples of topics:

<b>Companies</b>	<b>Industries</b>	<b>People</b>
Apple Nintendo HP RIM Blackberry Microsoft Pixar	Video games Cell phones Computers TV's Camera's The Internet Movies	Steve Jobs Bill Gates Tim Berners-Lee Walt Disney Thomas Edison
